Professional Experience

- ❖ **Chrysalis Orofacial, Greer, SC**
Founder (April 2016- Present)
Developing and delivering cutting-edge continuing education, consulting, professional speaking, and clinical services.
- ❖ **Advanced Institute for Development & Learning, Greenville, SC**
Director of Clinical Services (January 2015- December 2019)
Leading the creation and implementation of therapy services for a start-up non-profit outpatient pediatric clinic.
- ❖ **Center for Pediatric Therapy, Evansville, IN**
Speech-Language Pathologist (July 2014- December 2014)
Independently contracted to provide speech, language and feeding evaluations and treatment in an outpatient pediatric setting.
- ❖ **LifeSong Academy, Evansville, IN**
Speech-Language Pathologist (August 2013- July 2014)
Evaluated and treated clients 30 months to 22 years of age for speech, language and feeding disorders within an Applied Behavior Analysis school.
- ❖ **St. Mary's Center for Children Pediatric Feeding Program, Evansville, IN**
Speech-Language Pathologist (May 2011- May 2013)
Evaluated and treated pediatric patients with feeding difficulties as part of a trans-disciplinary team in outpatient, intensive, and consultative models.
- ❖ **Evansville-Vanderburgh School Corporation, Evansville, IN**
Speech-Language Pathologist (August 2010- May 2011)
Evaluated and treated children in pre-school through high school with speech and language disorders. Recommended classroom accommodations and chaired IEP meetings. Provided therapy services through pull-out, collaborative, and consultative models.
